**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of broadband competition. I am a home owner and rely on a local competitive provider for my internet and phone service after experiencing unsatisfactory service from a national provider. I am lucky enough to live somewhere where competitive options are available and was able to leave the national provider in favor of a more reliable local company. Please do not limit such competition for others.
